

CLASS VII

CREATING AND MANAGING CONNECTIONS

Tuesday, October 25, 2011

4:30 p.m. – 8:00 p.m.

**Chesapeake Energy
Building 7
Blue Room, Basement
6300 N Western**

Parking:

Turn east into the main Chesapeake campus from Western Ave. at Chesapeake Dr. There's a stoplight there. Follow the lane around to the right, then to the left. You will see ramps that go under the athletic court to "Central Park, a garage under the athletic court." Enter the underground garage and park on the top level.

Building 7 is the first building to the northeast of Central Park. We will be meeting in the basement-level Blue Room, so when you enter the building, take the stairs or elevator down one floor.

Dress: Whatever you wore to work
