- Ford Audio Video is on the south side service road of I-40 just west of Meridian.
- From I-40, exit onto Meridian, turn to the south, and immediately turn onto the service road that goes back to the west, as if you're going to the Clarion Hotel. Travel about half a mile to the west on the service road and Ford Audio Video is on your left. There is parking all around the building.
- Use the front door (on the northeast corner of the building.)
