

## Leadership Oklahoma City Class 30

### Not on My Résumé

We like to collect some out of the ordinary information about class members that you're willing to have shared in an icebreaker. We're looking for items that will round you out as a human being who has a life and history outside the workplace. For example, in the past we've learned who was once a professional belly dancer (my personal favorite tidbit), who was a fighter pilot, who was Miss Pork Belly, whose hometown is the site of the World's Largest Ball of Twine, whose child is an internationally ranked fencer, who's been shot, who loves to camp, who wants to run for public office, who loves to scuba dive, who writes poetry, and so on.

Here are some starters to get you going, but feel free to share something interesting that doesn't fit. You don't have to have a response for all of these, but I like to have at least three items for everyone.

Please respond **no later than September 1** so I can have my icebreaker for the Opening Retreat. You can email it to [info@lokc.org](mailto:info@lokc.org) or fax it to 463-3337.
