1st Floor Conference Room
428 West California

Light Refreshments
Optional Dinner at your own expense at La Luna Restaurant after class

Dress: Whatever you wore to work or business casual

The Orientation is not mandatory and an absence will not count against your attendance requirements, but of course we hope you will attend if at all possible.

Please let the LOKC office know if you cannot attend: 463-3331 or info@lokc.org.

McAlpine Center

428 W California (except California isn't exactly a street at 428—more like an alley)

McAlpine Center butts up to Walker Ave, directly south of Stage Center. There is a good-sized parking lot east of McAlpine, where the Festival of the Arts is staged every spring.

The easiest entry is from Sheridan between Walker and Hudson. Turn into the La Luna Restaurant parking lot on the north side of the street, and drive north through the restaurant lot into the Arts Council/McAlpine lot. There's a tall tower (used to be a fire drill tower) in the parking lot—you can't miss it. Park there, not in the La Luna lot if at all possible.

There are also a few parking places behind Stage Center.
